2

Team

Gabor Meszaros (Austria)

Zhivko Duchevev (Bulgaria)

Eleonore Charvolin-Lemaire (France)

Christina Ligda (Greece)

Ján Tomka (Slovakia)

Gregoire Leroy (FAO)

3

Survey

DAD-IS users' awareness and needs

This survey aims to assess the awareness on [DAD-IS / EFABIS](#) and identify the needs of the various users of the FAO Information System on livestock breeds.

It is offered as part of the project "Improve the use of DAD-IS / EFABIS by developing relevant communication tools" of the European Regional Focal Point for Animal Genetic Resources (ERFP).

Whether you are familiar with ERFP or not, your opinion is important, thank you in advance for taking 15 minutes to complete it.

There are 17 questions in this survey.

This survey is anonymous.

The record of your survey responses does not contain any identifying information about you, unless a specific survey question explicitly asked for it.

If you used an identifying access code to access this survey, please rest assured that this code will not be stored together with your responses. It is managed in a separate database and will only be updated to indicate whether you did (or did not) complete this survey. There is no way of matching identification access codes with survey responses.
