& education

- work under way to good progress in specific area
 - some questions remain
 - tools and working bodies to further enhance progress established
 - avoid double work for progress report for FAO
-
- all reports available at the ERFP website <http://www.rfp-europe.org>

The screenshot shows the RFP EUROPE website interface. At the top left is the RFP EUROPE logo. To its right is a horizontal banner with five images: a group of sheep, two longhorn cattle, a horse, a close-up of a pig's face, and hands writing on a document. Below the banner is a navigation bar with links for [home](#), [Publications](#), and [Country Information](#). On the left side, there is a vertical menu with links for [Terms of Reference](#), [Programme \(MYPOW\)](#), [Organisational Structure](#), [Meetings](#), and [Publications](#). The [Country Information](#) link is highlighted in blue. The main content area is titled "Country Information" and contains the text: "Please follow the menu to read the [annual reports](#) and other available information from the ERFP countries." On the right side, there are two sections: "Contact" with links for [Frank Begemann](#), [Jörg Bremond](#), and [Babette Balzer](#); and "Links" with links for [EFABIS](#) and [DAD-IS](#). A small "CY" logo is visible in the bottom right corner of the screenshot.
