

European Regional Focal Point for Animal Genetic Resources

PROPOSAL OF THE WG PLANS AND PRIORITIES FOR 2020-2021

1. FIRST PRIORITY: Supporting the development of EUGENA, in coherence with the results of the Ad hoc action:
 - More countries should get “on board” and sign the MoU.
 - Gene banks which are part of EUGENA update gene bank data to the portal.
 - Promote EUGENA as a reference information website for the authorities in Europe, in order to apply the new regulation on germinal products.
 - First meeting of EUGENA Steering Board.
2. Development of specifications for a modern gene bank documentation software in coherence with the results of the Ad Hoc Action.
3. Supporting the development of national regulation about germinal products collection intended to be kept in gene Banks and the recognition of gene Banks at national level.
4. Supporting the application of the new regulation of germinal products in relation with the procedure for germinal products moved to gene banks in another Member State
5. Collaboration with the ResGen Bridge Project in the development of the European Genetic Resources Strategy and specific Program for AnGR.
6. Collaboration with the Ad Hoc Action: Transboundary breeds in Europe. Promote concerted action between countries.
7. Spread information about ex situ conservation and EUGENA in collaboration with the Communication Strategy of the ERFP.
8. Sharing knowledge and expertise in relation with Cryopreservation protocols by species.
