Date: 30/08 PM

- Project session.
- Organised by the GenResBridge project and the WG AnGR
- Invited speakers and round table.
- Attended by > 40 on site + 15 on line

Participation in the project GenRes Bridges (Joint venture  
of ECPGR, EUFORGEN and ERFP)

- As part of the EAB (WG AnGR is the EAAP consultation  
body in Genetic Resources issues)
- Some members directly involved in the development of the  
project through the ERFP

In contact with:

- NC's of different countries (through the ERFP)
- People responsible of the EFABISnet
- WG on Documentation of the ERFP
- WG on ex-situ conservation
- WG on in-situ conservation
- FAO

**Administrative and financial issues:**

- Reduced fee/one day fee exemption for ERFP National Coordinator (or their representative) to attend the joint meeting(s) of ERFP/FAO/EAAP on AnGR – could be included in specifications/model agreement between EAAP and individual countries organizing committees
- Possibilities to lighten the administrative burden and to digitalize the ERFP reimbursement procedures (and more specifically to reduce/avoid the mandatory sending by slow mail of all the invoices – cf. document 3\_EAAP\_ERFP\_ReportingV3.doc).
- Possibilities for ERFP Secretariat to pay invoices directly (rooms registration, meals, transport, etc), e.g. by credit card, without going through payment by personal funding followed by ERFP reimbursement procedure.
